MEMORANDUM FOR: Special Assistant to the President
for National Security Affairs

SUBJECT : Intelligence Support for NSC Policy Review

With respect to the review of Basic NSC Policy, I would suggest that the following national intelligence estimates, some of which you mentioned on 20 January, would merit study by all Planning Board members:

NIE 100-5-59, Implications for the Free World and the Communist Bloc of Growing Nuclear Capabilities, due for completion on 3 February

NIE 100-4-57
→ ~~NIE 100-4-57, Implications of Growing Nuclear Capabilities for the Communist Bloc and the Free World, 9 July 1957,~~
our annual comprehensive look at the Soviet situation, projected 5-7 years ahead.

SNIE 13-2-59, Present Trends in Communist China, a brief analysis of the highly significant current trend in Communist China, due for completion 10 February.

SNIE 100-59, Estimate of the World Situation, due for completion 17 February. However, advance drafts can be made available if desired.
